WOODBURNING STOVE/FIREPLACE QUESTIONNAIRE

This form must be completed and signed by the Insured for any mobile home with a wood burning stove, wood/coal heater, or free standing fireplace. Submit the signed certification and application accompanied by one photo which shows the stove/fireplace and one exterior photo of the chimney.

Please be sure to fill in the General Information section in all cases. If the stove/fireplace is installed in a site-built room addition, fill in Section B only; otherwise, fill in Section A only.
